RESIDENTIAL TENANCY AGREEMENT

RESIDENT CHRISTIAN COMMUNITY

MARTIN LUTHER HOUSE

Mission Statement:

The Intentional Christian Community at Martin Luther House in Edmonton has two purposes:

1. To nurture a supportive, Christian household in which residents learn, study, play and grow by bringing together faith and academic life; and
2. To create a base community for ministry to post-secondary students in Edmonton.

These two purposes imply responsibilities and expectations on the part of both the resident(s) at Martin Luther House (the House) and Lutheran Campus Ministry - Edmonton (LCM-E). This agreement outlines these responsibilities and expectations. Any concern not addressed in this agreement will be addressed with respect to the two purposes stated above.

Guided by this mission statement, residents commit themselves to:

- 1) Open their home for and join in weekly Tuesday Suppers organized by the Lutheran Student Movement, and participate in weekly worship on Sunday evenings conducted by Lutheran Campus Ministry.
- 2) Meet together weekly over supper with the LCM-E Pastor, on a day when all are available, for community building and prayer. Residents are encouraged to bring up any problems that may arise within the Intentional Christian Community or the large LCM-E community.
- 3) Nominate a liaison to the LCM-E Council of Edmonton, who will attend its regular meetings as a voting member and reports any needs or concerns.
- 4) Show care and concern for other residents as members of a community. At the same time, the space and privacy of each resident will be respected by each of the other residents;
- 5) Share in the general cleaning of the House and the maintenance of its grounds. Housework consists of cleaning common areas (i.e., kitchen, dining room, living room, main floor bathroom, hallways, and back and front entrances). Grounds maintenance includes disposal of garbage and recyclables; lawn mowing; the raking up of leaves; and snow removal from the porch and the front, back, and side walkways as well as the city walk.
- 6) Make a high priority of the Monday through Thursday evening meals, so class schedules and extracurricular activities will be planned so that these community meals are not missed. Meal preparation, including grocery shopping, cooking, and clean up, is a community event to be shared by the residents. Food expenses for these meals will be shared by all of the residents. Other meals are the responsibility of each individual.
- 7) Consult all residents before a party is planned at the House.
- 8) Attempt to resolve conflicts by first talking with each other. If they cannot reach a resolution, they will ask the LCM-E Pastor to mediate their conflict.
